Customer Problem Statement Template:

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

List of Problem Statements:

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	A Sanitary Worker	Find good hospitals and diet for my heart disease	I couldn't find a trustable app	Each one prescribing their own hospitals where they get commissions	Annoying
PS-2	A Factory Worker	Find whether I have heart disease	I could not get the results correctly	There may be many bugs in the machine	Frustrated
